HORIZONTAL CONTROL

- Monumented Point or Located Object
- 40 — See separate index for names of numbered stations
- WASHINGTON — Station reported not recovered
- Measured Base - Electro Optical or Taped
- Line of triangulation observed
- Line of triangulation observed from one end only
- Measured Length - Electronic or Taped
- Line of Trilateration

Information may be obtained from the Director, National Geodetic Survey Information Center, National Ocean Survey, N.O.A.A., Rockville, Md. 20852
